**Tuition is all inclusive @ \$2,995**

Students gain skills by "Hands On" learning with the dental equipment the first day of class. Our primary goal is to train dental assistants for the manual skills dental offices require; dental **radiology** with digital image retention, **impressions**, modern **instruments** and materials, **sterilization** and **four handed dentistry**.

## The tuition includes all of the following:

Illustrated Syllabus: "Concepts in Dental Assisting", Richard Erickson, 5th Edition (DCI Publishing)

Dental Scrubs (uniforms)

All training and teaching aids, materials and dental supplies used in the clinical training.

Use of all dental equipment, instrumentation and specialized dental and laboratory materials.

**X-ray plus 8 hour Infection Control Certifications** which comply with all California State regulations. These are the **State Certificates** you need to work as a dental assistant in California.

A Certificate in Dental Assisting and Letter of Recommendation outlining your training and experience will be awarded to all students who have attained a 70% or above grade average. This certificates counts as 3 months of work experience with the California Dental Board.

Real clinical experience through our unique "**hands on**" training program. You will be trained in all phases of general dentistry.

All training is provided by George Eliades, D.D.S., B.A. and Nick Eliades, R.D.A. in their actual practicing dental office, not a classroom.
